Dear Luscombe Owner,

Thank you for allowing us to introduce you to the Luscombe Association and our newsletter. The Luscombe Association has been in existence since 1974 and is the type club for all Luscombe aircraft. Following are comments from a few of our 900 plus members worldwide:

*"I want to say how valuable I find the newsletters to be. I visit old ones often and find answers to most of my questions." TB.*

*"I look forward to every issue. P.S. I very much appreciate the 3-hole pre-punched feature." JC.*

*"I have begun to read through the newsletters and found them to be a goldmine of information about restoration and maintenance problems." RD*

*"My plane has been sold recently. I have suggested to the new owner to be sure to join the Luscombe Assoc. The information obtained is extremely important." HL*

All subscriptions run on a calendar year, Jan 1- Dec 31. At this time, we would like to offer you a year and a half for our yearly rate of \$25. Your bi-monthly newsletter will begin with the July/Aug issue 2004 and be current through the Nov/Dec issue 2005 - 9 issues total.

Please call, e-mail, fax or write us to join.  
You can refer to the white Membership & Newsletter Dues & Price List sheet included, for additional information.  
We look forward to hearing from you.

Best Regards,

Steve & Sharon Krog and Joel Gehring

The dues announcement is included with the Nov./Dec. issue each year.

**Note:** Our newsletter back issues are full of technical info related to maintenance, restoration, and modification. We strongly suggest that you purchase these. There are 155 back issues, \$110 in 3 blue binders w/silver logo and lettering and come with a complete index.
